

## CP ROAD MAP COLLABORATION AGREEMENT ITEMS FOR DISCUSSION

**PURPOSE:** By signing this document, \_\_\_\_\_ [organization] \_\_\_\_\_ indicates its commitment to the goals of the Long-Term Plan for Concrete Pavement Research and Technology (the **CP Road Map**) and agrees to actively and collaboratively participate in the CP Road Map program, to the extent possible, through the following selected (checked “yes”) and/or added activities:

- | Yes                      | No                       |   |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | 1. Participating in periodic briefings about the CP Road Map.   |
| <input type="checkbox"/> | <input type="checkbox"/> | 2. Identifying staff within appropriate offices to act as liaisons with the CP Road Map Administrator, and to be point persons for the activities outlined below.   |
| <input type="checkbox"/> | <input type="checkbox"/> | 3. Reviewing research programs’ priorities with a view to aligning them with CP Road Map research priorities.   |
| <input type="checkbox"/> | <input type="checkbox"/> | 4. Where possible, support collaboration in the funding, conduct, and subsequent implementation of in-house concrete pavement–related research by seeking out partners directly or with the help of the Road Map Administrator. |
| <input type="checkbox"/> | <input type="checkbox"/> | 5. Where practical, review concrete pavement research projects tasks and output (in-house or contracted) to see if they can be aligned to the CP Road Map.  |
| <input type="checkbox"/> | <input type="checkbox"/> | 6. Making collaborative funding, conduct, and implementation of concrete pavement research one of the criteria in the award of research contracts.  |
| <input type="checkbox"/> | <input type="checkbox"/> | 7. Developing and participating in new and innovative ways to jointly fund concrete pavement projects.  |
| <input type="checkbox"/> | <input type="checkbox"/> | 8. Promoting peer review of work in progress and prior to completion.   |
| <input type="checkbox"/> | <input type="checkbox"/> | 9. Identifying and conducting or supporting Road Map research follow-up activities, including further research, training, and technology transfer activities.   |
| <input type="checkbox"/> | <input type="checkbox"/> | 10. _____   |
| <input type="checkbox"/> | <input type="checkbox"/> | 11. _____   |
| <input type="checkbox"/> | <input type="checkbox"/> | 12. _____   |
| <input type="checkbox"/> | <input type="checkbox"/> | 13. _____   |
