AGENDA

1. Update on Concrete Pavement Technology Training  
   a. Colorado  
   b. Pennsylvania  
   c. Michigan  
   d. California  

2. Review of CP Road Map New Track Structure — Task Order #4  

3. Future MAP Brief Topics — Task Order #5  
   a. Full Depth Reclamation of Asphalt Pavements with Cement (Completed)  
   b. CP Road Map Update  
   c. Precast Pavement  
   d. Selection of Subbases for Concrete Pavements  
   e. Joint Performance  
   f. Concrete Pavement Joint Rehabilitation with Thin Concrete Overlays  
      i. Alternate Subjects  
         1. Cross-Stitching of Longitudinal Cracks  
         2. Slab Stabilization  
         3. Full Depth Repairs  
         4. Pavement Milling  
         5. Pervious Pavements  
         6. Other suggestions  

4. States Highlighted in E-News  

5. Review of the Research Database  

6. Face-to-Face Meeting  

To join the meeting:  
https://connect.extension.iastate.edu/cprexecutivemtg/  
Conference Call Number: 866-249-8583  
Participant Code: 651408
